The American Legion Band will provide music.

FRANCE FOREVER seeks to preserve the age-old comradeship between France and the United States in the cause of freedom and democracy — the comradeship which began with Washington and Lafayette and lives again through Pershing and Foch.

It is a militant American organization of Free Frenchmen and Americans, supporting General de Gaulle and the efforts of the democracies to defeat totalitarianism. This is the first public meeting of FRANCE FOREVER. It will inaugurate a nation-wide campaign to extend the influence of the organization.
